

INSPIRA HEALTH NETWORK ONE NETWORK. ONE FAMILY.

Inspira's mission is to provide high quality health care that improves the lives of those we serve. Our roots reach back to 1898, when the area's first hospital was founded to serve local families. Today, we honor the same principles of community and compassion at more than 155 access points throughout Camden, Cumberland, Gloucester, and Salem counties. Inspira Health Network continues to grow and adapt to anticipate and align with the changing health care needs and expectations of our community members.

INVEST.

This unprecedented period of growth is driven by Inspira's investment of more than \$600 million in improvements throughout the network. As Inspira grows, our employees are able to serve more local families and help to inspire our communities to thrive. The I'M IN! employee giving campaign is an invitation for you to take an active role in identifying and advancing critical projects that will help to serve the community for generations to come.

IMPACT.

When employees invest in local health care, they invest in the wellness of the entire community: our families, neighbors, co-workers, and friends. The following are some of the key ways that you can support Inspira during this year's employee giving campaign:

- Employee grant funded projects in Cumberland and Salem counties
- Employee grant funded projects in Gloucester County
- Greatest need (capital and construction projects)

INSPIRE.

Inspira is building upon the traditions and successes of the communities we serve. Philanthropy has helped to position us at the forefront of health care in the region, and your participation in the employee giving campaign will enable additional enhancements and innovations. Please join in the legacy of philanthropy at Inspira Health Network and make an investment in the future of the communities we serve!

EMPLOYEE GIVING PROJECTS

Thanks to individuals like you, employee giving funds positively impact community health care throughout the region.

Advanced Monitoring Technology - Nurses can better monitor women in labor and quickly respond to changes in a baby's heart rate.

L.I.F.E. Activities - Inspira L.I.F.E. guests stay active with air hockey, ping pong, billiards, and table shuffleboard.

Blanket Warmer - Patients at Inspira Elmer stay warm and comfortable before and after receiving treatment.

Outdoor Recreation Deck - Children at Inspira Bridgeton will be able to play games, garden, watch movies, and more!

Mastery Training - A group of 17 perioperative nurses in Woodbury received certification in a mastery training program to ensure patient safety and operating room efficiency.

New Playground - Children at the IMPACT center can improve their gross motor skills on a new playground.

Skypanel Covers - Patients at Inspira Vineland are calmed and comforted by a variety of soothing images covering the ceiling lights.

A MESSAGE FROM THE PRESIDENT AND CEO

Friends,

I want to thank you for the pride and skill with which you serve community members every day, and I'm honored to share your passion for providing quality health care to local families. Health care in southern New Jersey is founded on philanthropy, and I hope that you will

consider supporting this year's I'M IN! employee giving campaign.

There is a lot of excitement surrounding the new medical center in Mullica Hill, critical enhancements to Inspira Woodbury, and expansion projects at the Vineland campus. Senior leadership at Inspira has demonstrated its commitment by giving more than \$1.7 million to support these projects and help to strengthen and grow our ability to provide outstanding care.

In addition to capital projects, the I'M IN! employee giving campaign offers an opportunity to invest in employee-identified projects that can improve the patient experience throughout any of our facilities, departments, or service lines. These projects are inspired by employee innovation and funded by the generosity of you and your co-workers. It's a wonderful program, and I'm proud to support it.

Philanthropy continues to be important to the success of our employee grant program, capital projects, and community investments. We are asking for you to help honor Inspira's legacy of philanthropy by participating in this campaign.

By joining me in support of employee giving, you are choosing to **invest** in the mission, organization, and services that you make possible.

Families in southern New Jersey depend on Inspira, and your philanthropy will make a significant **impact** on the lives of the patients we serve.

Your gift will **inspire** others to partner with us in our mission to provide this community with high quality health care services.

It's a remarkable accomplishment to offer exceptional health care throughout the region, and we will continue to develop new ways to serve community members. Your philanthropic support will allow us to achieve even more.

I'm IN. I hope that you're IN, too!

Gratefully,

John A. DiAngelo
President and CEO

Marilyn Creamer

INVEST.

I choose to invest in Inspira. I've been here 36 years, and they've seen me through so many things. Inspira has been here to support me, and I think it's important to give back. For our patients and for the community.

IMPACT.

I invest in Inspira because I want to make a difference. That's why I like the employee giving campaign: employees have a say in what projects get funded. I can see where the money is invested, and I know that I've made a difference.

Debrah Hickman

Jessica Pizarro

INSPIRE.

I participate in the employee giving campaign because I've seen first-hand how these projects impact our guests and patients: from new furniture in our lobby and waiting rooms to improved monitoring equipment for the OR and Maternal Child Health.
